

# ONLINE BANKING IS CHANGING

Our new online banking service is coming soon. As well as the features you know and enjoy, we have redesigned it to make your day-to-day banking even simpler and quicker.

The new version will be available in early October and will automatically appear when you login, using any links you have already bookmarked, or via our website [www.nedbankprivatewealth.com](http://www.nedbankprivatewealth.com) (simply click on the person icon  at the top right of the page).

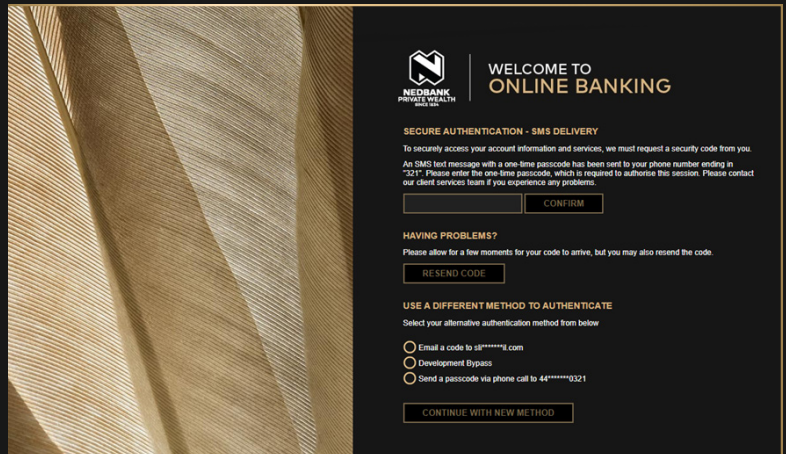

## ENHANCED SECURITY AT LOGIN

Protecting you and your wealth is at the heart of everything we do.

To make logging in even more secure, your memorable information will be replaced by a one-time passcode which will be delivered to you by SMS to your mobile phone or via an alternative method of your choice.

The new login screen has been designed to guide you clearly through the process.

We hope you will enjoy using this new state-of-the-art Online Banking system. If you have any questions about these changes, please contact your private banker or our client services team at [client.services@nedbankprivatewealth.com](mailto:client.services@nedbankprivatewealth.com).
